

The Funni Farm Business Ethics Statement

Effective Date: January 1, 2026

Our Values

We are committed to conducting business with honesty, integrity, accountability, and respect for our customers, employees, suppliers, and community.

Quality & Compliance

We strive to manufacture and sell products that comply with applicable laws and maintain quality standards through responsible business practices.

Customer Service

We believe in treating every customer fairly, responding professionally to concerns, and working in good faith to resolve legitimate issues.

Truthful Marketing

We aim to provide accurate product information and avoid misleading or unsubstantiated claims about our products.

Fair Business Practices

We expect ethical conduct in all business relationships and do not knowingly participate in fraudulent, deceptive, or unlawful activities.

Continuous Improvement

We regularly evaluate our practices and welcome constructive feedback that helps us improve our products, services, and customer experience.
