

The Funni Farm Consumer Safety Guide

Effective Date: January 1, 2026

Product Inspection

Inspect the package before opening. Do not consume products if the safety seal is broken, the package is damaged, or the product appears contaminated.

Serving Recommendations

Always follow the serving size printed on the product label. Wait an appropriate amount of time before considering an additional serving.

Storage

Keep products in their original packaging. Store in a cool, dry location away from direct sunlight, excessive heat, humidity, children, and pets.

Expiration

Do not consume products after the printed Best By date. If the product develops an unusual odor, color, texture, or taste, discontinue use.

Medication Interactions

If you take prescription medications or have a medical condition, consult your healthcare provider before using hemp-derived products.

Emergency Information

If a child or pet accidentally consumes a product, contact your local poison center or seek immediate medical or veterinary assistance.

Reporting Product Concerns

If you believe you received a defective product, contact The Funni Farm with your order number, batch number, and photographs so we can investigate.
