Governing Law

These policies and transactions are governed by the laws of the State of Tennessee, without regard to conflict-of-law principles, except where applicable law requires otherwise.

Good Faith Resolution

If a dispute arises, we encourage customers to contact us first so we can attempt to resolve the matter in good faith before formal legal action is pursued.

Jurisdiction

Unless otherwise required by law, legal proceedings relating to purchases or website use should be brought in a court of competent jurisdiction located in Tennessee.

Severability

If any provision of this policy is determined to be invalid or unenforceable, the remaining provisions will continue in full force and effect.

Policy Updates

We may update this policy from time to time. Changes become effective when posted with a revised effective date.
