

The Funni Farm Product Quality Complaint Policy

Effective Date: January 1, 2026

Purpose

The Funni Farm encourages customers to report product quality concerns so they can be reviewed promptly and fairly.

How to Report a Concern

Please provide your order number, batch or lot number (if available), a description of the concern, and photographs of the product and packaging whenever possible.

Review Process

Each complaint is documented and evaluated. We may request additional information or the return of the product for further inspection.

Possible Resolutions

Depending on our findings, we may offer a replacement product, store credit, refund, or another appropriate resolution consistent with our published policies.

Continuous Improvement

Complaint information is reviewed to help identify opportunities to improve our products, packaging, manufacturing processes, and customer experience.
