

The Funni Farm Quality Guarantee

Effective Date: January 1, 2026

Our Promise

At The Funni Farm, we are committed to producing quality hemp-derived products using carefully selected ingredients and consistent manufacturing practices.

Ingredient Standards

We strive to source quality ingredients and packaging materials from reputable suppliers whenever reasonably available.

Batch Consistency

Each production batch is prepared using standardized procedures to help provide consistent quality from batch to batch.

Third-Party Testing

Where applicable, products are independently tested, and Certificates of Analysis (COAs) are made available when possible.

Customer Satisfaction

If you believe your product has a quality issue, contact us promptly with your order number, batch number, and photographs so we can investigate.

Continuous Improvement

Customer feedback, product testing, and quality reviews help us continually improve our products and processes.
