

The Funni Farm Supplier & Ingredient Standards Policy

Effective Date: January 1, 2026

Purpose

The Funni Farm strives to source ingredients, packaging, and materials from reputable suppliers that support our commitment to quality, consistency, and compliance.

Supplier Selection

Potential suppliers may be evaluated based on product quality, reliability, regulatory compliance, documentation, and business practices.

Ingredient Quality

We seek ingredients that meet our product specifications and applicable legal requirements. Ingredient availability may change over time.

Documentation

Where appropriate, supplier documentation such as specifications, lot information, or laboratory reports may be maintained to support product traceability.

Continuous Evaluation

Supplier performance may be reviewed periodically. We may discontinue using suppliers that no longer meet our standards or business needs.

Questions

Customers with questions about ingredients or sourcing are encouraged to contact us. We will provide appropriate information when available.
