

The Funni Farm Website Changes & Updates Policy

Effective Date: January 1, 2026

Policy Updates

The Funni Farm may update its website, products, policies, pricing, and services from time to time to reflect operational, legal, or regulatory changes.

Effective Date

When a policy is updated, the Effective Date at the top of the document will be revised to indicate the most recent version.

Website Content

Product descriptions, photographs, pricing, availability, educational content, and other website information may change without prior notice.

Customer Responsibility

Customers are encouraged to review our policies periodically to remain informed of any changes that may affect future purchases or use of our website.

Questions

If you have questions regarding a policy update or website change, please contact us.
